

**The Narrowness of the Kingdom Way (part 1): the Marks of a  
Non-Disciple**  
*Matthew 7:13-20*

1. As he is winding down the sermon, why do you think Jesus shares what he does in this text at this point in the discourse?
2. When you think about the “kingdom way” being narrow, what things come to mind? What makes it narrow?
3. What is the difference between a false teacher and someone who has wrong doctrine? Another way to ask this question is: Assuming that you have some false doctrinal beliefs, why are you not a false teacher?
4. Read 2 Peter 2:1-22. How are false teachers described by Peter? What types of things do they do? Do you notice any parallels to any contemporary individuals or groups that we should be aware of and steer clear of?

8. Pray for protection for our church, your family and your own spiritual life from false teachers. Pray for specific people to choose the “narrow” way.
